

## *Custom Etched Tile Backsplashes*

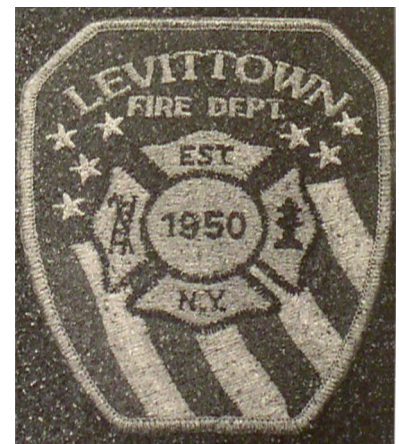

*Enlargement (above) of the etched tile used as the backsplash in the kitchen shown (left).*

## *Custom Etched Countertops*

*The Levittown F.D. patch (below) was used as the decorative image on the countertop in their lounge (left).*

*We work closely with our clients to meet their design needs. Collaboration with architects, designers and suppliers assures success.*

*We have an extensive design library to assist you in creating an elegant and personal addition to your project with Laser Etching.*
